Provide chemical data sheets to the Building Inspection Department, listing the maximum quantity of all hazardous materials.

List any material discharged into the drainage system, ground, or atmosphere:

It shall be unlawful to use or occupy or permit the use or occupancy of any building or premises created, erected, changed, converted or altered or enlarged in its use or structure until a Certificate of Occupancy shall have been issued by the Building Inspection Department or its official. A permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced.

I hereby certify that I have read and examined this application and know the same to be true and correct. By my signature below, I agree to comply with all provisions of the laws and ordinances governing this type of work, whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Signature of Applicant: Date:
