A permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. Separate permits are required for electrical, plumbing, and heating and/or air conditioning. All permits require final inspection.

A Certificate of Occupancy must be issued before any building is occupied.

I hereby certify that I have read and examined this application and know the same to be true and correct. By my signature below, I agree to comply with all provisions of the laws and ordinances governing this type of work, whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
