## Press Release

**Elaine Simpson, City Secretary**

**04/01/2014: City of Granite Shoals, for immediate release.**

---

### **Plenty of Opportunities To Get Your Voice Heard At The City of Granite Shoals**

We have several citizens advisory Boards and Committees which have vacancies at this time. Residents of Granite Shoals are encouraged to consider serving. What kinds of things interest YOU?

The Parks Committee invites citizens who are able to donate a few hours per month, and have an interest and enthusiasm for our eighteen lovely city parks, to apply to be considered by City Council for appointment to the Parks Committee. The Parks Committee holds 'Work Days' from time to time, and volunteers are always welcome to come and join in and help with painting park equipment or doing small repairs. This Committee also coordinates the annual 'Veterans Celebration' in November.

The Board of Adjustments meets very infrequently. They act as a quasi-judicial body, and hear appeals when a citizen has a conflict with the zoning restrictions on his/her property. This would be the right fit for someone detail-oriented and fair minded.

The Wildlife Committee is brand new! City Council just established it last month. The Wildlife Committee is charged with considering the issue of the deer population of Granite Shoals, and they may be tasked at a later time to consider other species of wildlife if they become problematic. This committee would be good for someone concerned with environmental issues.

Please consider applying to be considered for appointment to one of these Committees. The city website has the application form or you can get one from City Secretary Elaine Simpson at [citysecretary@graniteshoals.org](mailto:citysecretary@graniteshoals.org). Thank you!
