

PUBLIC HEALTH NOTICE

RABIES ALERT

On April 5, 2016 at approximately 10:30am Granite Shoals Animal Control was notified of a dead bat located at a residence in Granite Shoals. The bat was submitted for rabies by the Department of State Health Services and was found to be **POSITIVE for rabies.**

We ask that any person that comes in contact with a bat, dead or alive please contact Granite Shoals Police Department immediately!

Please remember to not touch any bat for any reason at any time. We also ask that you make sure that your animals stay current on their vaccinations at all times.

If you have any questions, please contact:

Granite Shoals Police Department at 830-693-3611

Attention: Ginnie Kirkpatrick
