A variance shall not be granted to relieve a self-created or personal hardship, nor shall it be based solely upon economic gain or loss, nor shall it permit any person the privilege in developing a parcel of land not permitted by the Zoning Ordinance to other parcels of land in the particular zoning district. No variance may be granted that results in undue hardship upon another parcel of land.

In order for your request to be granted, the Board of Adjustment must cast at least <u>FOUR out of five votes</u> in support of your application.
In order for the Board members to vote in support of your application, you must prove several things by your application.
Your application must clearly show that your property has SPECIAL CONDITIONS- for instance - AREA, SHAPE or SLOPE of the property that distinguish it from other properties within the same zoning district and must explain how these conditions prevent your property from being appropriately developed without a variance. (This section may not be necessary for appeal of decision cases, complete if applicable)
Describe the SPECIAL CONDITIONS of the property that distinguish it from other properties in the same zoning district:
Explain how these SPECIAL CONDITIONS prevent the property from being appropriately developed without a variance:

Additionally, in order for the Board members to vote in support of your application, it must be shown that the SPECIAL CONDITIONS that you have described are NOT the result of your own actions (<i>See City of Dallas v. Vanesko</i> , 189 S.W.3d 769 (Tex. 2006)).
Explain how the SPECIAL CONDITIONS affecting your property came to be, AND how they ARE NOT the result of YOUR OWN ACTIONS, (This section may not be necessary for appeal of decision cases, complete if applicable):
Furthermore, you must demonstrate that the variance you are seeking will permit you to enjoy the same rights with respect to the use of your property that are presently enjoyed by other properties in the same vicinity or zone as your property.
Explain how the City's ordinance requirement(s) prevent you from enjoying a right to use your property that is presently enjoyed by other properties in the same vicinity or zone as your property:

Additionally, you must demonstrate that the granting of a variance will not adversely affect the land use pattern as outlined in the City's zoning map and will not adversely affect any other feature of the City's comprehensive use plan.
Explain how your request for a variance will not adversely affect the City's land use pattern or any other feature of the City's comprehensive use plan: (This section may not be necessary for appeal of decision cases, complete if applicable)

Please read the following statements carefully and initial each line. By placing your initials next to the statements below, you, **the property owner**, are stating that you agree with and will abide by these requirements (please initial acknowledging adherence).

YOUR RIGHT TO APPEAL THE BOARD'S DECISION.

If you are dissatisfied with the Board's decision, you have a right to seek judicial review pursuant to Texas Local Government Code § 211.011.

Granite Shoals Board of Adjustments operates under applicable sections of the Local Government Code Section 211. This Code is available on the internet at the State of Texas website.

The BOA may authorize a variance from the Zoning Ordinance only upon finding:

- (1) There are special circumstances or conditions peculiar to the property;
- (2) The strict application of the terms of the Zoning Ordinance will impose upon the applicant unusual and practical difficulties or a particular hardship that would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district under the Ordinance;
- (3) The proposed variance is in harmony with the Ordinance;
- (4) The proposed variance is in the public interest and will ensure that substantial justice will be done;
- (5) The granting of the variance will not merely serve as a convenience to the applicant, but will alleviate some demonstrable and unusual hardship or difficulty for the applicant;
- (6) The proposed variance not confer upon the applicant any special privilege that is denied by the Ordinance to other similarly-situated properties in the same district;
- (7) The surrounding property will be properly protected and there are sufficient remaining regulations adequate to govern the project.

STATEMENT REGARDING RESTRICTIVE COVENANTS/DEED RESTRICTIONS

I have diligently searched all applicable records, and to my best knowledge and belief, there are no restrictive covenants that apply to the property that would be in conflict with this Variance Request, except as follows:

Copy here or attach any restrictive covenant(s) that apply to your request. If there are none, then enter the word "NONE".

Definition:

"Restrictive Covenants and/or Deed Restrictions" are legal restrictions on the use of land in a subdivision, and are conditions under which you received title. These restrictions were made by the original developer and can be different for each subdivision. The City of Granite Shoals is not legally a party to these conditions and does not enforce restrictive covenants, but the owner of any property in the subdivision may have the right to file litigation if you violate a restrictive covenant. Restrictive Covenants/Deed Restrictions are on file at the Burnet County Courthouse and are also contained in the property abstract.
